Re: 1252 Ross Avenue

Dear Ms. Patman & Mr. Harris:

This office is charged with reviewing damage claims related to the Metropolitan Sewer District's water in basement program. Your claim was sent to the MSD, and an investigation was conducted based on the history at 1252 Ross Avenue.

Based on the investigation, the City is denying your claim. The Metropolitan Sewer District found Condoms and Sanitary Items within the building sewer that caused the back-up. MSD determined that maintenance of the entire house/building lateral rests with the property owner. MSD will repair or reconstruct that portion of house lateral within the street right-of-way that fails due to a broken or collapsed pipe.

The responsibility of each property owner is identified clearly within the Rules and Regulations of the Metropolitan Sewer District as set forth in Section 1207 thereto. (Please See Attached.)

Sincerely,

Shirley Lenzly
Claims Manager

City Solicitor

Dear Mr./Ms. Patman:

This letter is to acknowledge that the City Solicitor's Office has received your claim for damages.

We are sensitive to your situation, however, as with all claims, the City of Cincinnati must conduct a full investigation.

While we are conducting our investigation, if you have not already done so, please send the following information to the Office of the City Solicitor, Attention: Claims Administrator, 801 Plum Street, Room 214, Cincinnati, Ohio 45202:

1. Any documentation related to the amount of your damages (receipts, estimates, bills, etc.).
2. A copy of your insurance coverage related to your claim.

Please be informed that pursuant to Section 2744.05(B) of the Ohio Revised Code, if the City of Cincinnati is liable for the claimed damages, it is only liable for the amount that is not covered by insurance. If you need further explanation concerning the above, please call me at 352-1577.

The Claims Administrator will notify you by mail of the decision regarding your claim at the completion of the investigation.

Sincerely yours,

Shirley Lenzly
